Leah Rochwarg Co-Presented "Introduction to Construction Litigation" for the Real Estate Bar Association for Massachusetts (Webinar)

This program provided an introduction to the special issues real estate practitioners may encounter when representing clients in construction projects. Construction litigation (and more broadly, dispute resolution involving mediation and arbitration and other forms of dispute resolution) is regrettably not infrequent on construction projects regardless their size or complexity.

During the event, Leah Rochwarg and a co-presenter discussed topics including:

- Overview of a Typical Construction Project and the Key Players
- Common Disputes and Claims
- Statutory Remedies
- Useful Dispute Resolution Strategies
- Begin with the End in Mind
