## Brewery Industry Confronts Slowdown: Paul Bauer Discusses Real Estate Challenges with Bisnow

NOVEMBER 22, 2024

The Massachusetts craft brewery industry is experiencing a slowdown due to a shift in consumer preferences and a decline in sales. Paul Bauer spoke with *Bisnow* about the challenges of securing new tenants for vacated properties and the issues associated with offloading these properties when they need to be sold.

> Paul stated that breweries are often located in industrial buildings that have been remodeled to include a retail component and the spaces are unusual. "The question is, can some new user go in there, or does it revert to industrial use?"
