Bob Cox participates in EBC Panel Discussion with EOEEA Secretary Matthew Beaton

JANUARY 26, 2016

Bob Cox will participate on a panel of board member thought leaders at the Environmental Business Council's Evening Program with Secretary Matthew Beaton on January 26. For his keynote presentation, Secretary Beaton will reflect on his accomplishments during his first year in office since being appointed Secretary by Governor Baker. He will discuss his priorities for 2016, reflecting on issues that are important to the environmental and energy goals of the Baker administration.

Bob, along with other panelists, will respond to the Secretary's keynote address, which will also focus on environmental policy developments during the past year. Bowditch & Dewey is proud to be a sponsor of the EBC's Evening Program.
