Spectrum Health Systems quotes David Felper in Press Release on its New President and CEO

APRIL 26, 2016

David Felper was quoted in a press release published by Spectrum Health Systems announcing the naming of the company's new President and CEO, Kurt Isaacson. In his statement, David praised Mr. Isaacson's deep experience and commitment to the field of national healthcare. David was elected to the office of Chairman of Spectrum health Systems in late 2015. The nonprofit company operates several substance abuse and mental health treatment centers and throughout Massachusetts.
