Worcester Medicine Publishes “False Claims Act Liability – It’s a Material World”

BY PETER J. MARTIN • JULY 25, 2016

The Worcester District Medical Society published “False Claims Act Liability – It’s a Material World” by Peter Martin in the July/August 2016 edition of its bimonthly publication, *Worcester Medicine*, revisiting [his previous article](#) on the *Escobar* case, and describing the Supreme Court’s decision providing health care providers more tools with which to contest a False Claims Act charge based on a failure to disclose regulatory noncompliance.
