Craft Brewing Business Publishes “The Secret Sauce: Protecting Brewing Recipes and Processes (The Role of Intellectual Property)” by Roger Zimmerman

SEPTEMBER 29, 2016

Craft Brewing Business published an article by Roger Zimmerman yesterday examining how craft brewers may utilize copyright, patent and state and federal trade secrets laws to protect their beer recipes and processes.

You can read a reprint of “The Secret Sauce: Protecting Brewing Recipes and Processes (The Role of Intellectual Property)” [here](#) or [on the Craft Brewing Business website](#).
