NOVEMBER 15, 2016

In September of 2016, Governor Baker signed an Executive Order which lays out a comprehensive approach to reduce greenhouse gas emissions, safeguard residents, municipalities, and businesses from the impacts of climate change. Following this Executive Order, Bob Cox will moderate an Environmental Business Council Evening Program panel discussion on the implementation of Governor Baker's approach to reducing greenhouse gas emissions in Massachusetts. The Evening Program on November 10 will also feature a review of Governor Baker's Executive Order, setting forth the Commonwealth's environmental policy by Ned Bartlett, Undersecretary of Energy and Environmental Affairs. Bowditch & Dewey is pleased to sponsor this edition of EBC's Evening Program.
