Worcester Telegram & Gazette quotes Lou Ciavarra in “Skybridge Redesign Becomes a Priority in Worcester”

NOVEMBER 21, 2016

The Worcester Telegram & Gazette quoted Lou Ciavarra in an article published last week discussing the scope and current planning status of a sky bridge which will link Worcester’s DCU Center, the Hilton Garden Inn hotel and an adjacent parking garage. In September, the City of Worcester was ordered by the Worcester Superior Court to move forward with construction of the sky bridge project. [Click here](#) to read more about the background of this construction project and the firm’s involvement.
