Bob Cox presents at “The New MCP for Everyone: A Practical Understanding of the Massachusetts Contingency Plan” seminar hosted by the Licensed Site Professionals Association

MARCH 2, 2017

Bob Cox will teach at a Licensed Site Professionals Association (LSPA) continuing education seminar on March 2 entitled, “The New MCP for Everyone: A Practical Understanding of the Massachusetts Contingency Plan.” The seminar will provide an overview of the Massachusetts Waste Site Cleanup Regulations, better known as the Massachusetts Contingency Plan (MCP), geared toward professionals who need a working knowledge of the MCP.
