Bloomberg News quotes Jon Barooshian in “Madoff Fund Paid Millions to Breeden Firm, Zero to Victims”

MAY 25, 2017

Bloomberg News quoted Jon Barooshian today, when he commented on the “notoriously slow” decision making of the Department of Justice in regards to a Ponzi scheme by Bernard Madoff. This scam that surfaced in 2008 is still impacting victims due to the lack of payback they have received. While victims are still waiting to get their money, Madoff Victim Fund administrator Richard Breeden has received millions in billings.
