Bloomberg quotes Jon Barooshian in “Equifax Facing First State Suit After Massive Data Breach”

SEPTEMBER 12, 2017

Bloomberg quoted Jon Barooshian in their Technology article, “Equifax Facing First State Suit After Massive Data Breach.”

Barooshian, who is a former prosecutor in Massachusetts who is not involved in the case, commented: “The lawsuit will be the first of many by state attorneys general, with investigations by the Justice Department and the Federal Bureau of Investigation likely to follow . This is an egregious failure to protect personal data by one of the three leading consumer credit reporting agencies who the public has no choice but to trust.”

The full article can be read on the [Bloomberg website](#).
