Paul Bauer appears on NECN to discuss marijuana legalization and its impact on landlords

AUGUST 10, 2018

Paul Bauer appeared on *New England Cable News* (NECN) with host Brian Burnell to discuss how the legalization of marijuana in Massachusetts may impact landlords, real estate owners, and tenants. While recreational and medicinal marijuana use are legal in the state of Massachusetts, both are still illegal on the federal level. This issue has left landlords and property owners in a unique dilemma, especially in off-campus apartments at colleges and universities.
