Bowditch Hosts NEBA's The Emerging Cannabis Economy in Massachusetts

JANUARY 14, 2019

"The Emerging Cannabis Economy in Massachusetts" will be held at Bowditch's Framingham office at 7:30 a.m. on January 23. The program, presented by the New England Business Association and sponsored by Bowditch, takes a look at the emerging cannabis market in the state of Massachusetts.

The event will discuss impacts on the economy, opportunities generated and challenges faced by those entering the market, and state-planned protection measures for the affected areas.

Panelists include:

- Andrea Cabral, CEO and Chief Engagement Officer, Ascend Wellness
- Keith W. Cooper, CEO, Revolutionary Clinics
- Jennifer L. Flanagan, Massachusetts Cannabis Control Commissioner and former state Senator
- Thatcher W. Kezer III, Chief Operating Officer, City of Framingham
