Paul Bauer to Moderate Panel at Boston Life Science Summit

FEBRUARY 6, 2019

Attorney Paul Bauer will moderate the "Life Science Clusters: Seaport, South End & Beyond" panel at the Boston Life Science Summit, held March 26, 2019, at 8 a.m. at Related Beal in Boston's Seaport District. The firm is a sponsor.

Other panelists will include:

- Stephen Faber, EVP — Related Beal
- Amrit Chaudhuri, CEO — SmartLabs
- Charles Pappalardo, Vice President, Global Operations and Real Estate — Vertex Pharmaceuticals
- Alex Main, Senior Project Manager — Wise Construction
- John Sullivan, Partner, Director of Architecture — SGA

The Boston Life Science Summit will address ways life science companies can attract and retain top talent, discuss what life science companies are major players in Cambridge and the Seaport District, touch on the areas turning into the next hotbeds of life science growth, and more.

You can get more information on the Boston Life Science Summit here.
