# Lynette Paczkowski, WCBA President, Hosts Annual Public Official Recognition Breakfast

MARCH 11, 2019

Each year, the Worcester County Bar Association (WCBA) comes together to recognize elected or appointed public officials for their service to the people of the Commonwealth and, in particular, to Worcester County. At this year's Annual Public Official Recognition Breakfast on March 7, sponsored by the WCBA's Government Relations Committee and hosted by WCBA President Lynette Paczkowski, the WCBA honored Lieutenant Governor Karyn Polito, State Representative Daniel Donahue and State Representative Hannah Kane. The more than 100 attendees included WCBA members, State Senator Harriette Chandler, nine fellow State Representatives, members of the judiciary and City Councilor Matthew Wally.
