The Massachusetts Paid Family Medical Leave Act, which goes into effect on July 1, 2019, establishes a system for paid family leave of up to 12 weeks to care for a family member, and up to 20 weeks for your own illness. To pay for the program, a tax of 0.63% will begin to be collected on July 1, 2019. As an employer, are you prepared for compliance and management of leave for your employees?
