Bob Cox Chairs EBC Leadership Program: Environmental, Energy and Climate Programs for the Commonwealth of Massachusetts

MAY 28, 2019

Bob Cox served as moderator for the Environmental Business Council of New England's (EBC) Leadership Program: Environmental, Energy and Climate Programs for the Commonwealth of Massachusetts, which took place May 23 at Nutter McClennen & Fish in Boston.

The program featured Massachusetts Executive Office of Energy and Environmental Affairs Secretary Kathleen (Katie) Theoharides as keynote speaker, who discussed Environmental, Energy & Climate Program Strategies for Massachusetts. Katie joined the Baker-Polito Administration in 2016 and has worked to safeguard Massachusetts from the impacts of climate change.

Following her speech, Bob moderated a panel discussion on issues of concern to the EBC membership.
