Bowditch to Sponsor 34th Annual Meeting of the Worcester Regional Research Bureau October 10

OCTOBER 7, 2019

Bowditch will sponsor the 34th Annual Meeting of the Worcester Regional Research Bureau (WRRB), taking place at 4 p.m. on October 10 at the DCU Center.

This year's keynote speaker is [Dr. Francis Collins](#), director of the National Institutes of Health, who will speak on the opportunities available in greater Worcester as an incubator for the life sciences. Dr. Collins will also discuss how what is happening in Worcester in life sciences fits in with larger events nationally and globally.

The speaking program will be followed by a wine and hors d'oeuvres reception.
