Brian Mullin Presents Employment Law Webinar to European Start-ups Doing Business in Massachusetts

OCTOBER 31, 2019

Bowditch partner Brian Mullin presented a webinar for the ACTION Innovation Network, a collaborative network looking to accelerate the success of early-stage tech entrepreneurs, about Massachusetts employment issues for foreign employers.

The webinar touched on these important employment issues and immigration concerns:

- Employment status and hiring
- Wage and hour issues and compliance
- Employment-related agreements and restrictive covenants
- Leaves of absence
- Business and employment-related immigration
- Prohibition of discrimination and harassment in employment.
