AiVi Nguyen Moderated “Pathways to an Inclusive Financial Services Workforce and Portfolio” (Webinar)

Access to a seat at the table in the financial services industry is twofold. Fair access to capital in the form of loans, equitable interest rates is critical to building a business. And, banks, credit unions, and investment companies are looking for ways to diversify their c-suite. Hear from industry experts how regional banks and large corporate institutions are making strides in both lending and hiring paving the way for entrepreneurs and executives to grow and prosper.

On October 20, 2020, AiVi Nguyen moderated the “Pathways to an Inclusive Financial Services Workforce and Portfolio” panel as a part of the [Worcester Chamber’s Game Changers](#) conference.
