## Joshua Lee Smith Spoke at Bisnow's "The Rise of Boston's Neighborhoods and Importance of Location"

On September 14, Joshua Lee Smith spoke at "The Rise of Boston's Neighborhoods and Importance of Location" presented by Bisnow as a part of their Boston State of the Market event.

During the panel "The Rise of Boston's Neighborhoods and Importance of Location," participants learned about which neighborhoods outside the urban core (such as Watertown, Somerville, Everett and Newton) are in high demand right now and what is appealing about these neighborhoods.
