Patrick Tracey Spoke on “Employee Misconduct: Cybersecurity to Fraud” (Webinar)

On February 22, 2022, Patrick Tracey joined a panel at the Massachusetts Society of CPAs’ “Employee Misconduct: Cybersecurity to Fraud” webinar, where they reviewed the implications of employee misconduct, cybercrime and key preventative measures, and how to limit the human factor as a cause of destruction to an organization by learning how to guide employees and put proper tactics in place.

On this webinar, the panel of experts examined and reviewed:

- Best practice measures when misconduct occurs
- Keys to a successful forensic investigation and prosecution
- Preventative measures and effective internal controls to reduce exposure to these types of misconduct
