Webinar Recording Available for “The Transformed Workplace: Retain and Recruit During a Workforce Shortage” Featuring Tracy Thomas Boland

The current workforce shortage is impacting businesses in every industry. It takes a creative and strategic approach to hire the right talent as discussed by Tracy Thomas Boland and a group of leading HR executives at the *Boston Business Journal's* April 28 webinar “The Transformed Workplace: Retain and Recruit During a Workforce Shortage.” During the event, speakers described how they have handled challenges throughout the current environment and what is working for their businesses. Listen to the recording and get innovative and practical tips from Tracy and the panel, which you can use to strengthen your organization’s relationship with current employees while attracting new talent.
