Joshua Lee Smith Spoke at Worcester Chamber's "Woostapreneurs Forum 2022"

The Experts and Resources Panel at the May 6 Woostapreneurs Forum featured Joshua Lee Smith and a panel of professionals in accounting, banking and marketing. The event connected Greater Worcester to the entrepreneurship ecosystem and business resource providers in central Massachusetts. The conference was designed for existing business owners, budding entrepreneurs, veteran entrepreneurs, millennial entrepreneurs, women-owned businesses, and other underserved entrepreneurs in search of business help.

The Woostapreneurs Forum, presented by the Massachusetts Small Business Administration Office and the Worcester Regional Chamber of Commerce, celebrated National Small Business Week and was held at the College of the Holy Cross' Hogan Campus Center.

In addition to Joshua's session, the event featured a panel of business success stories, a keynote speaker and the opportunity for attendees to network with resource partners and supporters to learn more about the services they offer.
