Amy Morrissey Elected to Board of Directors of The Venture Forum

JUNE 28, 2023

Amy Morrissey has been elected to the Board of Directors of [The Venture Forum](#), a startup community committed to helping entrepreneurs launch and scale their business in Central Massachusetts by connecting entrepreneurs and aspiring entrepreneurs with resources and mentors to drive entrepreneurial success.

A corporate attorney who solves complex business issues with sound, real-world legal advice, Amy maximizes business value through legal expertise, strong business acumen, and a keen ability in strategic planning and execution. She has led transformational change, positioning companies for growth and sustainability in Board Advisor, Senior VP, Operational Consultant and General Counsel roles. Serving clients in a range of industries, often as their outside general counsel or part-time general counsel, Amy is a strategic legal professional, business leader and board strategist. She has driven exceptional growth for companies through acquisitions and by establishing legal, corporate, compliance, risk and pricing models; guaranteeing financial value; and delivering outstanding ROI for public and private corporations.
