Bowditch Named to Best Legacy Law Firms List

JULY 8, 2025

Bowditch has been recognized on the inaugural “In the Lead: Best Legacy Law Firms” list by *Massachusetts Lawyers Weekly*. The prestigious list highlights law firms that have not only endured but excelled for 25 years or more – navigating economic cycles, technological change, and a shifting legal landscape while remaining steadfast in their commitment to exceptional client service.

Founded in 1914, Bowditch has built a long-standing reputation for delivering high-caliber legal counsel in complex transactions, litigation and regulatory matters. The firm serves businesses, families, and institutions throughout Massachusetts and beyond, with deep experience across key practice areas including business and finance, real estate and environmental law, litigation, employment, family law, and estate and tax planning.

Over the past two decades, Bowditch has strategically expanded its reach, opening offices in Boston and Framingham and, most recently in 2024, launching a Plymouth location. The latest growth marks the expansion of the firm’s family law practice and the formation of the Bowditch Private Client Group, which combines family law and estate planning services.

Bowditch’s commitment to progress is also evident in its diversity and inclusion efforts. Today, the firm employs more female than male attorneys, with women representing 44% of its equity partners. In addition, the equity pipeline reflects a balanced gender distribution, setting the stage for continued equity in leadership.

With more than 60 attorneys across four strategically located offices – Boston, Plymouth, Framingham, and Worcester – Bowditch continues to deliver client-focused solutions with a legacy of excellence that spans more than a century.
