Laura Raisty Selected to Women's Advisory Network at Girl Scouts of Eastern Massachusetts

MARCH 31, 2026

Laura Raisty has been selected to join the Women's Advisory Network at the [Girl Scouts of Eastern Massachusetts](#).

Members of the Women's Advisory Network mentor and serve as role models for Girl Scouts. This network creates a direct link between business leaders in eastern Massachusetts and older Girl Scouts preparing for their next phase of life as an alum, providing opportunities to engage with and mentor the next generation of exceptional leaders. Members are also dedicated to raising the profile of Girl Scouting within the corporate community.

At Bowditch, Laura counsels and defends employers in matters related to employer-employee relationships. She advises companies of all sizes, including non-profits, on how to handle workplace disputes involving discrimination, harassment, retaliation, whistleblowing, wrongful termination, breach of contract and wage and hour matters, among others. She also performs internal investigations when allegations of wrongdoing arise.
