Collin Murdock Reviews Bringing & Defending Interference with Contractual Relations Claims

Collin Murdock will co-present “Bringing & Defending Interference with Contractual Relations Claims,” presented by MCLE New England.

Tortious interference with contractual relations is a critical claim in Massachusetts business litigation, arising in diverse contexts such as real estate disputes, employment conflicts, commercial agreements, and construction matters. At this two-hour webinar on April 14, 2026, attorneys will review practical tools to effectively bring or defend these claims. Explore the tort’s core elements, recent Massachusetts judicial trends, and actionable strategies to navigate litigation across business sectors, incorporating insights from 2024–2025 developments.
