Joseph Duquette Reviews the Status of Outdoor Lifestyle Centers

JULY 24, 2026

The success of outdoor lifestyle centers (or outdoor malls) is driven by the options available. From shopping for clothing and exercising to pampering yourself and food shopping, outdoor lifestyle centers are thriving as a one-stop destination for busy people. [Joseph Duquette](#) spoke with the *Boston Business Journal* about why real estate owners of outdoor lifestyle centers are seeing healthy rent growth and more demand:

“...due to zoning challenges and construction costs, similar outdoor retail centers aren’t likely to pop up in the near future.”
