### OVERVIEW

Cheryl Servis is a paralegal in the firm's Family Law Department. Cheryl has been working in the legal field for over 20 years. She works closely with clients throughout the litigation process. Cheryl is compassionate, responsive and helps clients through what can be one of the most challenging times in their life. Cheryl provides a caring voice and calm demeanor to help our clients understand the process and address pending issues and concerns.

Our clients often have to make the difficult and unfortunate decision of filing for divorce or seeking court intervention on sensitive matters such as custody, support and visitation. Our Family Law Department also handles probate litigation matters. We have a wide range of clients who reside throughout the Commonwealth of Massachusetts.

"I enjoy being able to support our clients during such a difficult time and offering an understanding shoulder for them to lean on. I help them navigate the process and am always available to answer any questions they may have."

### Besides Work

Cheryl enjoys riding motorcycles with her husband and friends and spending time with her two daughters.
