Shades of Gray: Brownfields Redevelopment and Superfund Sites

APRIL 29, 2015

U.S. EPA's announcement that a former industrial property in the Town of Franklin is proposed for listing on [EPA's National Priorities List](#) got me thinking about how we rarely hear about new Superfund Sites. Please see [my article](#), recently published in [Banker & Tradesman](#), on getting dirty sites cleaned up and back on the tax rolls. Download a PDF of the article [here](#).
