Chambers USA Recognizes Bowditch & Dewey's Labor & Employment Attorneys as Among the Most Notable in Massachusetts

JUNE 7, 2016

In early June, Chambers & Partners released the 2016 edition of its USA Guide, which ranks the best lawyers and law firms in the United States. Bowditch & Dewey is pleased to announce that Chambers USA has recognized its Labor & Employment Practice Area as among the most notable in Massachusetts. In addition, the publication recognized Bowditch Labor & Employment attorney Tim Van Dyck as a leading lawyer in his field.

From Chambers USA 2016:

Timothy Van Dyck of Bowditch & Dewey is appreciated by sources for his "ability to translate his litigation experience into practical advice about how to handle a variety of situations," as well as his attention to detail and practical approach. He often defends telecommunications, insurance and healthcare clients in sensitive employment litigation matters.

The Chambers Guides have been ranking the best law firms and lawyers since 1990, and now cover 185 jurisdictions throughout the world. Lawyers are ranked based on research of 150 full-time editors and researchers who talk to lawyers and clients, conduct in-depth telephone and in-person interviews, and are trained in the techniques of investigative research.
