

Un-Masking the Future: Reopening Post-COVID (Webinar)

JUNE 1, 2021

As people continue to get vaccinated and Massachusetts fully reopens, schools must stay knowledgeable about how to keep students and employees safe. In some instances, masks and social distancing will still be required.

- Can you require students and employees to provide proof of vaccination?
- How do you keep vaccination information private?
- Are you responsible for ensuring that students and employees not wearing a mask have been fully vaccinated?

Join Bob Young and Jake Tosti on June 15 at 11am to learn best practices to implement at your school to keep everyone healthy.
