Final 2024 Title IX Regulations: Action Items for Colleges and Universities

APRIL 25, 2024

The long-awaited federal Title IX regulations have been released, and it is critical that you know what is needed for compliance by the August 1, 2024 implementation deadline. We have analyzed the unofficial 1,577-page preamble and have presented our key takeaways, offered suggestions on immediate next steps, and answered your questions.

Discussion topics included:

- Required revisions to your Title IX policy
- Optional flexibilities for your Title IX grievance process
- Mandated trainings for your Title IX team, as well as all other employees
- Application of your Title IX grievance processes to all forms of sex discrimination, including pregnancy discrimination

Attorneys that led the discussion:

- Amy Fabiano
- Meaghan Borys
- Brigid Harrington (moderator)
