

Title IX Regulations Compliance Check-in: Title IX Grievance Procedures (Higher Education Roundtable)

JUNE 12, 2024

With the release of the long-awaited federal Title IX regulations, as reviewed during our April 25 webinar, the grievance procedures required under Title IX have become more flexible.

On June 12, 2024, we held the second of our monthly Compliance Check-ins, where we reviewed the options that colleges will have in drafting their new Title IX grievance procedures. This check-in included an overview of sections 106.45 and 106.46, as well as interactive polls to gauge where different institutions are landing on important grievance procedure decisions.

Attorneys who will led the discussion:

- Brigid Harrington
- Meaghan Borys
- Amy Fabiano
