Un-Masking the Future: Reopening Post-COVID (Webinar)

MAY 26, 2021

As people continue to get vaccinated and Massachusetts fully reopens, businesses must stay knowledgeable about how to keep employees and customers safe. In some instances, masks and social distancing will still be required.

- Can you require employees to provide proof of vaccination?
- How do you keep vaccination information private?
- Are you responsible for ensuring that employees not wearing a mask have been fully vaccinated?

Join Bob Young and Jake Tosti on June 15 at 11am to learn best practices to implement at your workplace to keep everyone healthy.
