### Bob Young to Present “HR Support + Compliance” at the Mass Brewers Guild Technical Brewing & Business Conference

NOVEMBER 6, 2023

The Mass Brewers Guild (MBG) Technical Brewing & Business Conference will be held on November 6 in Framingham, MA. The focus of the day-long event, which will feature workshops and lectures, is to learn best practices from industry experts and create meaningful connections with peers within the craft beer industry.

At the conference, Bob Young will present on the panel “HR Support + Compliance,” which will cover topics including the 80/20 rule, the FMLA, and how HRIS systems can help breweries keep track of employee trainings, certifications, PTO and more. Bob will be joined by Paul Carelis, VP of client services at MP HR, and Katie Iovino, operations director at Night Shift Brewing Co. The panel will be moderated by Sarah Lee, MBG Board member and director of operations at Medusa Brewing Co. Don't miss this opportunity to learn from these seasoned HR experts.
