Shedding Light On Blind Trusts

SEPTEMBER 20, 2017

Kathryn Szewczyk and Christopher Mehne recently published "Shedding Light on Blind Trusts" in *Private Wealth* magazine's Summer 2017 issue. In the article, they discuss how executives in the private sector can benefit from blind trusts to remain in compliance with securities and insider trading laws while accomplishing their personal and financial objectives.

The full article can be read on the Private Wealth website.
