OVERVIEW

Jason O'Dwyer is a skilled litigator handling construction, real estate, commercial, employment, and general business disputes. Jason's work includes early liability assessment, risk counseling, intensive pre-suit investigation, and complex litigation management.

BEFORE BOWDITCH

During law school, Jason refined his litigation skills working as a law clerk for MetroWest Massachusetts law firm. Jason also represented low-income clients through the Boston College Legal Assistance Bureau.

Before starting his legal career, Jason gained key business experience working for a real estate investment and home improvement contracting firm and as a Financial Secretary for the Knights of Columbus.

EXPERIENCE

- Secured a defense verdict at trial for a home improvement contractor facing nearly \$50,000 in exposure
- Negotiated a \$1.3 million contract for a client providing emergency services
- Represented two landlords in separate housing court proceedings involving delinquent tenants, prevailing at trial in one matter and achieving a favorable settlement in the other
- Resolved two commercial contract disputes on behalf of contractors engaged in construction and restoration projects
