Bowditch is a highly-regarded law firm handling sophisticated transactions, challenging litigation and complex regulatory issues for businesses, families and institutions throughout Massachusetts, the region and beyond.

With more than 60 lawyers seamlessly connected in three strategic Massachusetts offices – Boston, Framingham and Worcester – Bowditch is a preeminent law firm, deep in the areas of business and finance, real estate and environmental, litigation, employment and labor, and estate and tax planning, delivering outstanding client satisfaction and big-firm quality legal services.

In the recently released *BTI Brand Elite: Client Perceptions of the Best-Branded Law Firms*, Bowditch earned a place on BTI's Honor Roll of Most Recommended Firms. Law firms are listed based on top-of-mind recognition by corporate counsel and other legal-hiring decision makers. This recognition is particularly gratifying at a time when a growing number of corporate counsel express dissatisfaction and disconnection with their law firms.
